CST Announces New Strategic Partnership with California Aquastore in the US

Kansas City, MO – Building on its 100+ year legacy as the world’s leading bolted steel tank, silo and aluminum dome manufacturer, CST Industries, announces a new and exciting strategic development with the addition of a new dealer partner - California Aquastore.

California Aquastore will cover two states in the Western region of the United States including California and Northern Nevada. California Aquastore is a specialty contractor headquartered in Northern California, and founded by Eric Harper, formerly of Pacific Tank Solutions of Dublin, CA. California Aquastore has years of experience providing bolted steel storage tanks and construction services to municipal, industrial and commercial customers. They will be responsible for selling and installing CST’s flagship industry leading Aquastore® glass-fused-to-steel storage tanks, as well as epoxy coated HydroTec® tanks and OptiDome®, formerly Temcor/Conservatek, domes throughout their territory. All products are made exclusively in the USA.

Tim Carpenter, CEO, CST Industries, stated, “We are thrilled to add California Aquastore to our Dealer Network.” He adds, “Along with our trusted Dealer Network, we are the #1 supplier for tanks, domes and installations in North America and beyond. Customers choose CST for our market leading product portfolio along with our experienced and knowledgeable Dealer Network to ensure that we provide the right product for the right applications. This new partnership extends that capability and ensures that we are providing our loyal customers with top level service, innovative products and over a century of experience.”

CST Industries is the complete storage system provider for engineering and manufacturing professionals in thousands of different industries and applications throughout the world. The company is the global leader in the manufacture and construction of factory coated metal storage tanks, aluminum domes and specialty covers.

CST’s existing company portfolio consists of CST Storage, CST Covers and Vulcan Tanks. The company’s global network includes manufacturing facilities and technical design centers located in Missouri, Kansas, Illinois, Tennessee, Texas, California, Georgia and the United Kingdom. Regional sales offices are located throughout North America and in Mexico, Argentina, United Kingdom, Dubai, Singapore and Vietnam. CST Industries maintains its headquarters in Kansas City, MO. International offices are located in Brazil, United Kingdom, India, Singapore, Vietnam and Dubai. Currently more than 350,000 CST tanks and over 18,000 covers have been installed in 125 countries throughout the world.
