CST Covers Conroe, TX

Reaches 5 years without a lost-time accident!

Conroe, TX – CST Covers is pleased to announce that it recently reached a safety milestone of five years without a lost-time accident. "We are extremely proud of our employees for this outstanding achievement," said Joseph Kerner, President of CST Covers. "Our team focuses on world class safety practices that include but are not limited to routine safety training, daily safety meetings prior to every shift and a safety committee that meets monthly."

"I am extremely proud of our employees and their dedication to achieving this milestone," said Julie Carrell, Director of Human Resources. "Their focus on safety, quality and efficiency is incomparable."

In recognition of this major accomplishment, CST Covers hosted a contest for employees to help develop the new safety slogan. The winner was announced at the celebration luncheon provided by CST where Joseph Kerner, President of CST Covers and Jason Lovett, VP of Operations grilled steaks for all employees. The winner of the contest was Denver Bernard pictured right, he also received $200 cash for winning!

About CST Covers

CST Covers is the worldwide leader in the design, manufacture and construction of custom aluminum covers and structures for architectural, environmental and industrial applications.

CST Covers has supplied over 16,000 covers in more than 90 different countries and offers multiple structural, high strength aluminum design solutions including domes, vaults, extruded flat covers, formed flat panel covers, truss supported covers, space frames as well as custom products specifically designed for customers unique vertical and overhead applications.

The company maintains manufacturing facilities and technical design centers in Gardena, California; Conroe, Texas; and Rincon, Georgia. The company is headquartered out of the Conroe, TX location.
